Dermalogica Facials

We are proud to offer you **Dermalogica** skincare treatments at WHITES HAIR & BEAUTY. Our beauty therapists are trained at The International Dermal Institute offering you outstanding personal skincare advice.

Developed with the environment in mind, Dermalogica ensures that all ingredients are from eco-safe sources and are packaged in recyclable containers. Always cruelty-free, they do not test on animals.

Dermalogica is currently the most requested professional-use-only skin product in the world.

The Face Treatment:

A truly revolutionary approach to skin treatments customised at every step using the Face Mapping SM analysis. Your treatment is unique to you and varies on every visit.

Face Mapping SM:

The Dermalogica range is not based on old-fashioned skin typing, but on a unique system of analysis, allowing your skin therapist to design a personalised treatment for you.

Rather than analysing the skin in general terms, Face Mapping SM divides the face into fourteen distinct zones, assessing individual problems and needs

Simply chose an amount of time and your therapist will customise a skincare treatment to address your personal skin health requirements.
