

PAUL MITCHELL

WHITES HAIR & BEAUTY

WHITES HAIR & BEAUTY was launched in 2000, and in a very short time we have built a reputation as a "Town "salon, but with the convenience of a village location.

Our passion for fantastic hairdressing and belief in exceptional standards of customer service has been recognised by the achievement of several awards, and we are proud to have been rated "Five Star" by the Good Salon Guide.

The salon is light, modern and air conditioned!

We are Specialists in Colour and are one of the very few salons entrusted with the fabulous Wella Inspire premier colour range.

We cover the whole spectrum of ages, and with a team of more than twenty, we can offer a price and skill level to match your needs. Our aim is to make you look and feel wonderful.

It is important to us that you are able to care for your hair yourself, and as a 3-6-5 Appointed Salon, our designers will offer you advice and show you "hands on" how to maintain your style to keep it looking great, for longer.

As a Dermalogica beauty Salon we offer a full range of beauty treatments extending from "Top to Toe". Along with acrylic and Gel nails and a large stock of the leading hair & beauty products, we are a "one stop shop" for serious but affordable pampering

We are open six days a week, and have four late nights for your convenience.
